A DAY IN THE CANTEEN

The soup is hot, the drinks are cold
The ladies who work there are bold
The kids line up for food to eat
They push, they pull, they stomp their feet

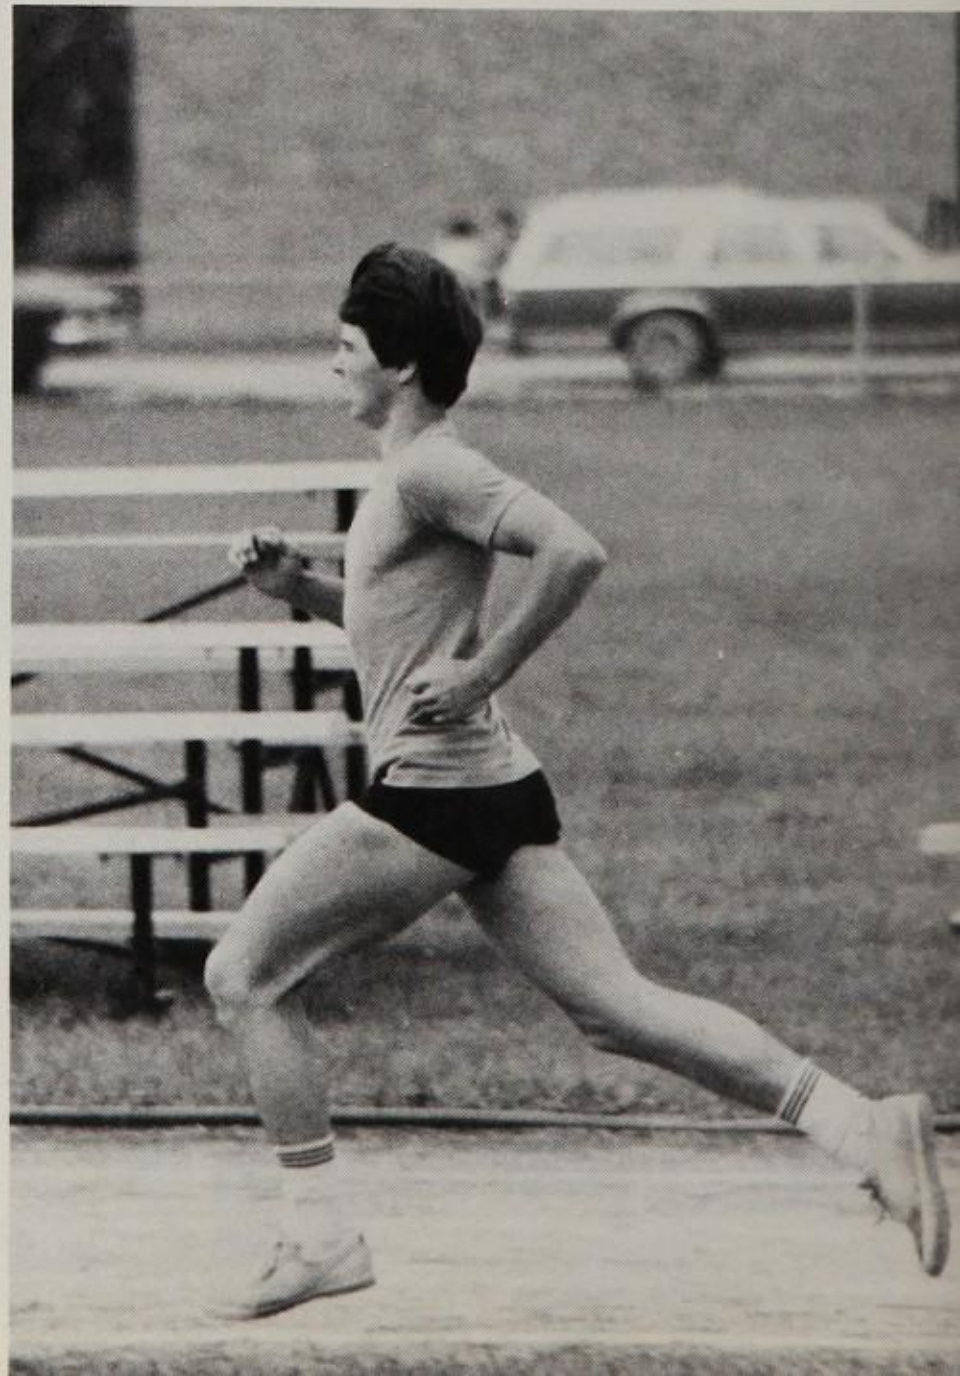

The buns are fresh, the salad is green
The kids sit down where the tables are clean
The food may fly and Anita may scream
They'll have to make the cement walls gleam

The ones who don't obey the rules
Get booted out like little fools
Once again they leave the Canteen
For Harry to sweep and Anita to clean

Nineteen eighty three will long be remembered by four Junior Curlers of Carman. For Laurie Allen, Donna Gould, Faye Irwin, and Stacey Withers the drama began in the Winnipeg Junior Bonspiel. It was there that they reached the finals of the main event, and thus earned a spot in the provincial championships.

At the provincial championships the Carman rink curled in dramatic fashion winning their first two games and then losing. However they showed their championship form and came back from that defeat to win four consecutive games and the Manitoba Championship. The Carman rink defeated the Darcy Kirkness rink twice by scores of 10-9 and in the championship final by a score of 5-4 in an extra end.

In the final game the calibre of curling was outstanding. Stacey Withers had excellent draw weight and forced the Kirkness rink to play the takeout game. Faye Irwin was unofficially the all-star second as her takeout game was accurate and consistent. Donna and Laurie were sharp at all aspects of the game.

The scene then moved to the Calgary Curling Club for the Canadian Championships March 12-19. The Carman rink continued their excellent curling by posting a seven win three loss record and reached the playoffs. They lost the semifinal to Quebec who was defeated in an extra end by Ontario, so the Carman rink ended up as number 3 in Canada. Laurie Allen was chosen as all-star skip, and Stacey Withers at age 13 was the youngest curler at the Canadian Championships. The four girls earned the praise and respect of curling fans across Canada for their excellent curling sportsmanship and gracious polite manner. Carman Collegiate is proud of them.

Wind Ensemble

The Wind Ensemble took part in a three-night musical production in December, which consisted of selections from many popular musicals. This production was fittingly entitled "MUSICAL! MUSICAL!"

As well as a production, the Wind Ensemble travelled to the festival in Moose Jaw with the money earned through citrus fruit sales. The Ensemble excelled in their class, taking first place out of 14 Ensembles. It looks like all the hard work done on Friday afternoons payed off!

DRAMA CLUB

Pres.--Lynette Loeppky

Vice--Louise van der Put

Sec-Treas.--Laura McKibbin

Our sincere apologies to Mr. Boggs whose photographs of the underwater basket-weaving club and electric toenail clippers club have mysteriously disappeared from our records.

After 2 years of fund-raising, the French Travel Club went for a 7 day visit to the province of Quebec. Many thanks to the people of Carman, moms and dads and the surrounding community. We were able to go on this trip with fund-raising activities such as corn sales, soup sales, bake sales, raffle tickets, a garage sale, and having a French dinner at the school.

Our executive, which did the planning of our activities and the managing of the money, can be seen in the above photograph. From left to right they are: Susan Tjaden-Secretary-Treasurer, Leah McClement-President, Mr. Kidd- the Boss, Glenn Currie- Vice-President and Publicity Representatives were Karla Froebe and Bruce Rose.

Altogether, there were 29 grade 11 and 10 students plus 4 chaperones; Mr. Murray Kidd, Mrs. Brenda Kidd, Mrs. Margaret Johnston and Della Heaman.

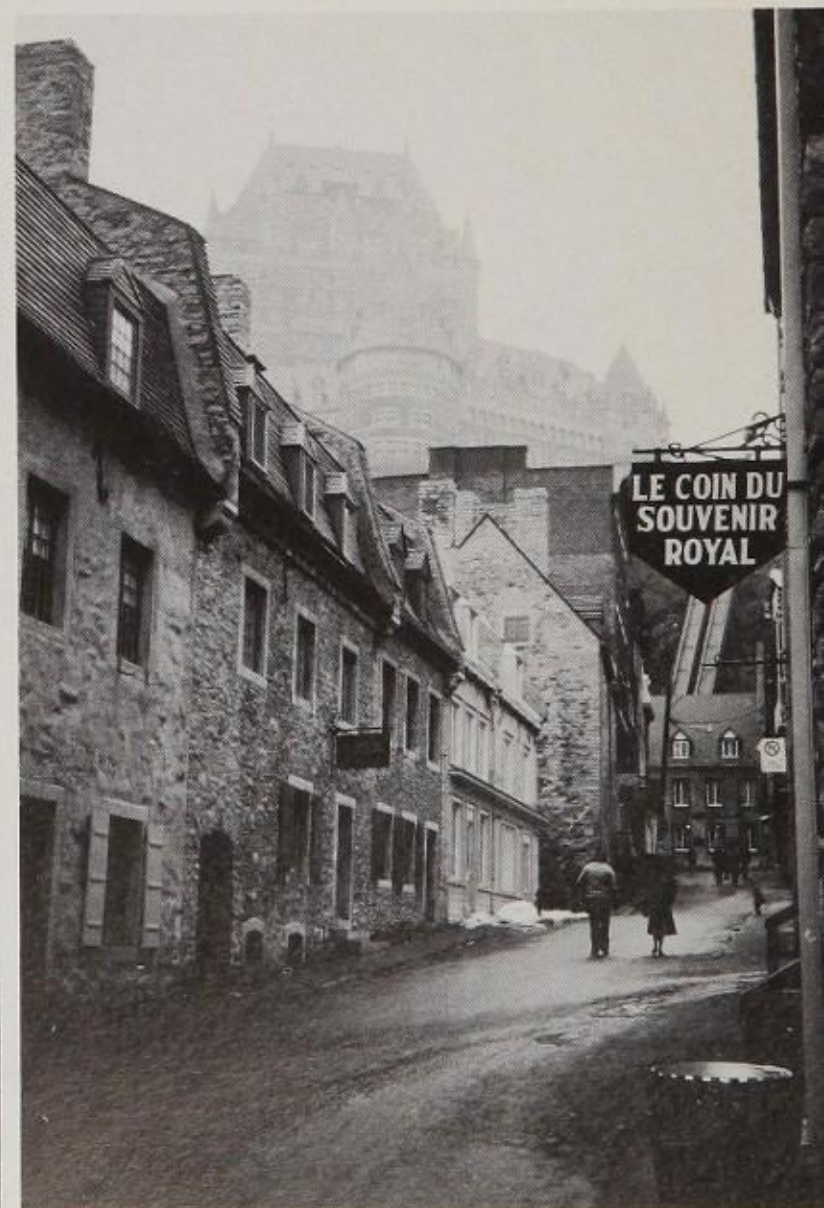

We had the opportunity to experience a French meal at the well-known Aux Anciens Canadien Restaurant. Many of us took a buggy ride through the streets of Old Quebec and enjoyed the rustic look of buildings and house.

In Montreal, we had a tour of the Olympic Complex and watched the Chicago Cubs defeat the Montreal Expos 5-0. We also spent some time in the modern, underground shopping centers and some of us had our first subway ride.

Thanks to all who made it financially possible for us to go to Quebec. It was fun to experience a second culture and language right here in our own country, Canada.

WE ARE MOVING.

Oliver Wendell Holmes

1982-83...a year when some people finally "grew up" and some remained just immature enough to add a little spice to the lives of others.

There are so many people that I feel indebted to, or at least, very grateful and thankful towards. I hate to just say "thank-you" because that lonely, limp word doesn't have the "umph" necessary to convey the depth of my gratitude. I'd like to take you all out for a steak dinner, however, yearbook editing does not pay substantial dividends soooo...thankyouthankyouthankyouthankyousmilethankyouthankyouhugthankyouthankyoupeacethankyou... to Leah McClement, Louise van der Put and Jennifer van der Put... the people that made this yearbook possible...those who put their heart and soul into it and spent many long, frustrating hours working. Also a BIG thankyou to our staff supervisor Mr. Bryan (with a "y") Yagi for his many words of wisdom and to Mr. Bob (alias "Joe) Kowalchuk for his listening ear and many favors. To both these men, the yearbook staff extends its appreciation for their optimism and encouragement when the enthusiasm waned.

Thankyou to all those who helped out in any way. You guys are important and necessary. And last but not least, to the staff of Carman Collegiate, thankyou for being people...and friends.

Can't think of anything profound to impart with you at the moment, at least nothing that I haven't already said. Just...uh...live each moment to the fullest, always continue to ask questions, and never let anyone or anything cheat you out of being yourself.

It's been real...most of the time.

Love and Peace,

Lynette Loepky
